Ballot Inspector	Ellen Winchester (D)

DUBLIN'S REPRESENTATIVE TO SOUTHWEST REGIONAL PLANNING
COMMISSION: Betsey Harris

SELECTMEN'S ANNUAL REPORT

If 1998 was a year of relative calm, we made up for it in 1999. We started off in March, joined by our new Selectman, Dick Peloquin, having to meet twice a week for about 5 months because there were so many things to get accomplished. Dick's experience was invaluable to this office. He has been sorely missed since his untimely death just before Thanksgiving. Joe Cavanaugh was kind enough to consent to fill in until Town Meeting in March and we certainly appreciate all he has done.

Accomplishments this year included:

- Established a Transportation Committee to study Route 101 with the Southwest Regional Planning Commission
- Established a Susquibicennial Committee to plan for Dublin's 250th birthday
- Established a Recycling & Transfer Station Committee to evaluate what is there now, what improvements are needed, how much room is available for dumping of stumps, construction debris, etc.
- Appointed our first full time Fire Chief, Mike Worcester
- Began addition and renovations to our Public Library
- Completed the revaluation of town property
- Completed the rebuilding of Monument Road
- Began the Dublin Advocate
- Continued to work on 911 numbering

Our Administrative Assistant, Erica Ryll, resigned last summer to return to teaching and Vira Elder and Nancy Campbell graciously filled in until we were able to hire Linda Langille, who is doing an excellent job. Many thanks to Vira and Nancy for all their help.

Thanks to the quick thinking of Steve Knapp, the Conservation Commission, Monadnock Conservancy and other private sources, the Town of Dublin was able to acquire for preservation another piece of Mud Pond.

And thanks to an anonymous donor, the Town will be able to acquire a diesel powered generator and related wiring systems which will supply electrical power in an emergency for the Town Hall, Archives Building and Library.

Thank you to all the department heads, board members, committee members and town employees who certainly make our job a lot easier.

Respectfully submitted,

Michael W. Walker, Chairman

Stephen F. Knapp

Joseph E. Cavanaugh
Board of Selectmen

BUDGET COMMITTEE ANNUAL REPORT

While the 2000 Budget has not increased significantly over the 1999 Budget there have been significant increases in heating oil and diesel fuel. The heating oil and diesel fuel cost have increased substantially over last year's figures.

Initially, the Committee membership was the same as last year. However, in late January Elvira Elder resigned her position to avoid any possible appearance of a conflict of interest once the Selectmen proposed expanding her town duties in the 2000 Budget. She has been sorely missed since that time and I wish to express publicly my and the rest of the Committee's gratitude for her tireless efforts on behalf of the Committee as our Secretary and font of information.

Our thanks are extended as well to the Selectmen's Representative, Michael Walker and Administrative Assistant Linda Langille and Erica Ryll, for their cheerful assistance in answering any and all Budget Committee questions and requests. We would also like to thank the various departments and committees who presented their budget requests and were well prepared to answer all our questions. Department requests were well thought out and reasonable in view of the need to hold any additional budget increases to a minimum.

Finally, you will notice that the format of the budget is slightly different than in the past. Individual line items, e.g., social security and medicare, have been broken down and allocated by department instead of being aggregated into a single line.

As always, we remind townspeople that ours are open meetings and all are welcome to attend. Schedules are posted at the Town Hall.

Respectfully submitted,

Judith A. Knapp, Chairman
Alan Greene
William Gurney
Walter Snitko
Michael Walker, Selectmen's Representative
Frank E. White

DUBLIN POLICE DEPARTMENT ANNUAL REPORT

The Dublin Police Department has been faced with many issues this past year. Some we handled were small and others not. We faced an increase overall in calls for service. The nature of these calls varied over a whole range. I am very pleased with the way we at the Police Department carried out our duties this past year, in providing the Town of Dublin with a very competent and professional police force. A force that is for the people of Dublin to utilize and for them to be proud of.

Like many of you already know, Route 101 posed many problems for this agency again this past year. We took a proactive approach to patrol this past year with the assistance of New Hampshire Highway Safety. Two grants for extra patrols, one for speed enforcement and another for detecting impaired drivers. Both these patrols were received in a very positive light. I feel during these patrols, which were run over 4 months a noticeable effect was encountered. However, consistency in enforcing these issues is important. Hopefully with the assistance of more grants we again this year will be able to target the area for enforcement. Another area that has come up this year regarding Route 101, is the response to the South West Regional Planning Report. I felt a lot of very new and interesting ideas came up and felt that the people that worked on this response did an exceptional job. We are currently working on many ideas for changing the driving behavior of drivers who use Route 101. Some of the ideas are calming and some are strict motor vehicle enforcement. I can guarantee both of the ideas will be used. I would remind each citizen that it is important for us all to set the standard for driving on Route 101. Driving behavior and attitudes must start with us first. The safety of Dublin's citizens is critical and this is the goal of the Dublin Police Department. Please do your part in calming the traffic on Route 101.

Sgt. Dana Hennessy and Officer Stephen Bell conducted some training this past year. Sgt. Hennessy attended a four day class put on by the National Highway Traffic Safety Administration on Standardized Child Passenger Safety Technical Training. He is now a Child Passenger Safety Technician, and has a wealth of information on this subject. The program is a great success and is spreading out to surrounding towns, as Sgt. Hennessy is one of the first certified technicians in the area. If you are expecting a child or currently have children in a car or booster seat, this program is essential for you. Please call and set up an appointment with Sgt. Hennessy so he can assist you with this possible life saving program. Officer Bell again conducted a Bike Safety Program this past summer. However, this time he was prepared to give out bicycle helmets free of charge. The Dublin Police Department applied for and received a grant for 25 helmets through New Hampshire Highway Safety. If your child is in need of a new helmet, please call and speak to Officer Bell.

Over the past year, we at the Police Department have received much insight from the community. We encourage anyone who needs something from us or has something to offer to please stop in and see us. We are here for the citizens of Dublin in any capacity we can be. No issue is too small or big.

In closing, I would like to thank the Dublin Highway and Fire Departments for their assistance and hard work they provide to the Police Department and the Town of Dublin. I would like to thank the Dublin Board of Selectmen, Town Clerk Barbara Sovik, Administrative Assistant Linda Langille, for all their assistance and resources for which they provide to the Dublin Police Department. I would also like to thank the citizens of Dublin for the support given by you to us at the Police Department. I would especially like to officially recognize the members of the Dublin Police Department, Sgt. Dana Hennessy, Officer Stephen Bell and our Secretary (our lifeline) Vira Elder, and thank them for all their hard work in making Dublin a safe place to live and work.

Respectfully submitted,

Chief James W. Letourneau

EMERGENCY MANAGEMENT ANNUAL REPORT

This past year has been a very active year for the Emergency Management Program. The Town was awarded a \$5,000 grant through the Office of Emergency Management in Concord, N.H. Besides the public safety issues that are a vital role in emergency management, we have many other facets that need to be addressed as well. A lot of areas needed to be reviewed in order to adequately prepare.

We are well under way towards our goal of completing a new Emergency Management Plan. A lot of time and effort has been done through meetings and review of the current issues that face the Town of Dublin in regards to emergency planning. We have currently applied for another grant this year to assist us in funding this project to its completion.

I would like to thank the many people who supported Emergency Management this past year. I would like to commend the folks who took the time out of their busy schedules to meet with us at various meetings. I hope you found the information interesting and hope you enjoyed the company. I would like to thank three important people who assisted this year in planning, Vira Elder, Carolyn Demorest and Mary Elizabeth McClellan without your help most of what was completed last year would not have been done. If anyone is interested in Emergency Management and would like to volunteer, please don't hesitate to call.

Respectfully submitted,

Chief James W. Letourneau
Emergency Management Director

Dublin Police Department

Dublin Police Department Yearly Statistics

DUBLIN FIRE DEPARTMENT ANNUAL REPORT

This has been an extremely busy year for us with 99 fire calls and 103 rescue calls. Constant fire safety inspections definitely reduces the number of calls, but for a community of Dublin's size, there are too many calls. Of the 20 busiest fire departments dispatched, from Southwestern Mutual Aid in Keene, Dublin ranked 9th in number of rescue calls and 12th in total numbers of fire calls out of 76. The 20 busiest towns are all much larger in population, except Dublin. The instance of automatic fire alarms giving a false signal is a problem, but no worse than any other community.

Our personnel situation is quite good with 21 members. We could use two or three more if available, but we're not as strapped as badly as most departments. Day time is always a problem due to so many working out of town and some employees refuse to let anyone leave for fire department duty.

My position as Chief became full time April 1, 1999. This has allowed me more time for maintenance of equipment and fire inspections within the many buildings in town. The inspection process is constant, especially with so many schools, camps and institutions in Dublin.

The 1978 8M1 Pumper has returned from Valley Fire Equipment after a most complete body rust removal and repaint. It actually looks better than when it was new! The Freightliner/American LaFrance Pumper has done a great job for us. The truck was a great addition to our fleet. The 1964 International/Maxim Pumper is now surplus to our needs and will be bid off shortly.

We are now in the process of installing a propane fueled generator in the fire station. This unit was donated to us by Beech Hill Hospital. It will join our current 1952 unit still in service. This new unit is all automatic and will start itself in the event of a power failure. We are installing a 500 gallon propane tank to supply fuel for this generator for about 10 continuous days running!

All equipment has received regular maintenance during the year. A new alternator charging system was installed on the brush truck replacing the original 24 volt military system that could be so troublesome! The 110 volt inverter on the 1995 rescue truck failed and required repairs as did the diesel generator on the new fire truck. There is nothing simple nor inexpensive about generating electricity!

The Dublin Fire Company annual appeal has raised funds for five (5) heart de-fibrillators plus a good start on a new rescue boat. The de-fib units should be purchased in January and increase the ability of our saving a life many times over. One will be at or near Bonds Corner, one in each police cruiser, one in the first out fire engine and one in the Chief's pickup. There will be sufficient personnel trained and certified in their use should the need arise!

Thanks to all who have made this possible. It is participation of the entire community that allows us to provide the services that we do. We can't do this without your help!

Extensive training has gone on in both fire and medical areas, our jobs are much more complex than ever before, due to changing demands, new methods and new equipment. We now deal with all types of rescue work, hazardous materials, explosives, natural disasters and man made disasters alike! Today's statistics show that only 7% of a fire department's time is spent actually fighting fires. Even with these statistics, we still spend more time fighting fire than ever. Our total number of calls has doubled in the past 5 years. So far, we have done well at meeting the demand.

I would like to thank the fire and rescue personnel for their continued support and enthusiasm, they are the best. I would also like to thank the Board of Selectmen, Police and Highway Departments for their help in working with us.

Respectfully submitted,

Michael Worcester, Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

1999 FIRE STATISTIC

(All Fires Reported thru December 10, 1999)

<u>TOTALS BY COUNTY</u>			<u>CAUSES OF FIRES REPORTED</u>	
	<u>Numbers</u>	<u>Acres</u>		
Hillsborough	271	50	Debris Burning	352
Rockingham	218	111	Miscellaneous*	279
Merrimack	213	115	Smoking	188

Belknap	139	66	Children	176
Cheshire	131	28	Campfire	161
Strafford	98	26	Arson/Suspicious	54
Carroll	81	17	Equipment Use	43
Grafton	70	18	Lightning	42
Sullivan	62	17	Railroad	6
Coos	18	3.25		
	<u>Total Fires</u>	<u>Total Acres</u>	*Miscellaneous (powerlines, Fireworks, structures, OHRV)	
1999	1301	452.28		
1998	798	442.86		

Also the Town of Dublin has applied for and received a \$9,000 grant for forest fire suppression equipment. This will be on the brush fire truck of the fire station.

Robert Steward
State Forest Ranger

Brian Barden
Forest Fire Warden

HIGHWAY DEPARTMENT ANNUAL REPORT

This year did not start with an ice storm. It did start with a lot of ice and not much snow. We spent lots of time sanding roads. There were some cold rainy days when the roads were freezing as fast as we could sand them. The dirt roads were the worst.

There was no mud season this year, which allowed us to get an early start on our spring clean up. We started cleaning the village and sidewalk first, then we started ditching and grading all the dirt roads.

The Town hires a contractor with a mobile sweeper to clean up some of the roads. It is too expensive to do all of the tar roads, so we put them on a rotating schedule.

Our major road project was Monument Road, which is just over 6,000 feet long. In the middle of May, we started cutting trees and brush. We prepared the road by removing large rocks in the roadbed. We installed 5000 feet of underdrain and 400 feet of cross pipes. We added 10 feet to the 36-inch culvert at the end by the pond. This was the most consuming part of the job, but also the most important part of the road project. After this, the road was reclaimed and gravel was added with the help of trucks from the Towns of Hancock, Harrisville and Nelson. The four Towns work on projects, which is a great savings to all of the four towns. Finally, we paved the road with 3 inches of cold mix and did shoulders and driveway approaches.

There were a lot of small projects that were completed. They consisted of cleaning of culverts, cutting brush, roadside mowing, replacing culverts, ditching tar roads, patching tar roads and digging graves.

The underground fuel tanks at the town barn were removed and new tanks were put on top of the ground in containment tanks. We rebuilt the retaining wall at the Transfer Station for the metal container. We also built a waste oil shed at the Landfill with grant money from the State of New Hampshire.

With the use of Town and Compensation Funds of New Hampshire, we hosted a Chain Saw Safety Class at the Highway Barn. We had 27 participate from 4 towns. This was very beneficial to all.

The Capital Improvement Plan has been updated for roads, the Transfer Station and the Highway Barn. We also have our power broom that was approved at Town Meeting. We will be asking for a new fully equipped truck. This will replace the 1980 Mack.

At this time I would like to mention that things are going well. We are reminding all Town Residents that dump stickers are required on their vehicles. These are free and can be obtained at the Town Offices during regular hours.

I would like to thank all the employees of the Highway Department and the Recycling Center, for their hard work and dedication. I would like to thank the Town Residents for their support and recycling efforts. I also would like to thank the Police Department and Fire Department for all their help.

Respectfully submitted,

Brian Barden, Road Agent

REPORT OF 911 COMMITTEE

The Committee has finally received the 911 maps from the State of N.H. Now the committee will use the Bell Atlantic telephone list to assign the street addresses.

The town will have a public hearing to accept the house numbers, street changes and a town ordinance.

When all the numbers are assigned, the map will go to Bell Atlantic so they can correct their records.

This has been a long project with many delays and once the system is in place, will help with emergency safety services.

Respectfully submitted,

Brian Barden, Chairman
James Letourneau
Arnold Pinney
Michael Worcester

DUBLIN PLANNING BOARD ANNUAL REPORT

The Planning Board has had a consistently busy schedule in reviewing and processing building permit applications and preparing improvements to the zoning and planning regulations. Significant initiatives have been undertaken this year to develop recommendations to the Southwest Region Planning Commission for improvements to Route 101, which will help to mitigate the highways impact on the town.

The Planning Board has revised the process of Building Permit review by the Board in order to improve the response time.

Beanie Wenigmann resigned from the Board this year and has been replaced by Jeff Clough. We want to thank them both for their contribution.

We look forward to a productive year where planning will be at the forefront of our efforts.

Respectfully submitted,

L. Gene Webber, Chairman

Bonnie Bartelt, Secretary

Jeffrey Clough

Steve Knapp, Selectmen's Rep.

John Nelson

Susan Peters

Robert Price

G. Blake Sabine

ZONING BOARD OF ADJUSTMENT ANNUAL REPORT

In 1999, the ZBA held eight public hearings requesting either a Special Exception or Variance from the Dublin Zoning regulations. The results of our hearings are as followed:

6 Special Exceptions: 4 passed
2 denied

2 Variances: 1 passed
1 denied

All hearings are open to the public and heard on an individual basis.

Respectfully submitted,

Thomas Wright, Chairman
Suzan Dennis, Secretary
Bill Barker
Willy Oja
Jim Sovik
Christy Greene, Alternate
Bill Gurney, Alternate
Dan O'Rourke, Alternate

TOWN CLERK'S ANNUAL REPORT

This year the Department of Motor Vehicles changed the style of the state's license plate and although the newly designed plates sparked much discussion among residents the issuance of the new plates through our office went smoothly. During the year a total of 2,022 motor vehicle registrations were processed in the Town Clerk's office, resulting in a revenue to the town of \$202,181.

In April we sponsored our annual rabies clinic. I would like to express my appreciation to Dr. Derek Fritz, of Tenney, Fritz & Combs Animal Hospital, for once again volunteering his time to this project and to Fire Chief Michael Worcester for making the firehouse available for our use. This year a total 287 dogs were licensed in the town.

Also during this year, the Clerk's office received a new IBM computer from the State Department of Health and Human Services. These computers are being made available to town clerks as part of the Bureau of Vital Records Vision 2000 program which will eventually enable clerks to directly access vital records on file in Concord. Funding for this project has come in part through fees generated from certified copies of vital records which are issued by town clerks.

Along with participating in the regional Town Clerks' meeting held in Fitzwilliam, Deputy Town Clerk/Tax Collector, Vera Elder, and I also attended the yearly Dept. of Motor Vehicles recertification seminar held in Concord. In September I attended the annual New Hampshire Tax Collectors' Association conference which was held in Conway, NH.

I have enjoyed working with you during 1999 and look forward to assisting you during the coming year.

Respectfully submitted,

Barbara Sovik,
Town Clerk/Tax Collector

DUBLIN CONSERVATION COMMISSION ANNUAL REPORT

We are pleased to report that 1999 was a productive year for the commission. We added four new members to our ranks, bringing our total membership, including alternates, to eight.

We finished the required survey and paperwork on the Town's Troy Road Easement, which was accepted for protection by the Society for the Protection of New Hampshire Forests.

The final report on five of Dublin's wetlands was presented to the town at a public meeting in April. The report recommends that the town apply to the state for designation of four of the five wetlands as Prime Wetlands, thereby giving them more protection. A warrant article was drafted to be presented at Town Meeting 2000, asking the Town to approve the application.

The Commission also established a committee to develop plans for the eradication of purple loosestrife, a non-native invasive plant that destroys wetland vegetation. Implementation of the plan should begin in the summer of 2000.

The Commission was pleased to receive into easement a 10-acre parcel of land abutting Mud Pond. The easement will be monitored by the Monadnock Conservancy. We hope that more land will be set aside for protection in and surrounding Mud Pond, a large part of which is already protected by the LCIP Program. Mud Pond is Dublin's largest and most important wetland in terms of water resources and fauna and flora habitat. Some of the state's oldest black gum tupelo trees are located in greater Mud Pond.

The Commission received a copy of the Brewster Forest Botanical Survey undertaken and prepared by Keene State student Eric Swope. This adds another piece to the town's natural resource inventory. In 2000 we are expecting new fieldwork that will provide us with more information.

A committee was established to study road maintenance in the town. The Commission continues to be concerned with sand accumulation, erosion, and vegetation destruction along the town's roads, as well as sand and salt erosion into Dublin Lake and other wetland areas. A report with recommendations will be prepared and presented to the Selectmen by the end of 2000.

Respectfully submitted,

David Belknap, Chairman
Lydian Green
James Guy
Elisabeth Langby
Chris Salem
Peter Shonk
Rhine Singleton, Alt.
Mitch Thomashow, Alt.

RECREATION PROGRAMS AND FACILITIES COMMITTEE ANNUAL REPORT

This was an eventful year for the Committee, although the weather was anything but cooperative.

The Committee's Town Skating Party planned for February had to be canceled at the last minute when the ice at Doc's Pond turned to slush. The free hot dog and soda cook out at the Memorial Day Parade was the rousing success it always is with nearly 300 hot dogs served.

The Selectmen revitalized a tired and dwindling committee with a slew of energetic new members who planned what was to be the best Dublin Day ever with more events and attractions than ever before. Unfortunately, Dublin Day was rained out, but quick thinking moved the Saturday night live band performance from Scribner Field to Del Rossi's for a truly delightful evening. To minimize the chance of future rainouts, Dublin Day will be moved to Saturday this year, with a Sunday rain date. Special thanks to Dan O'Rourke who was invaluable in helping the committee with it's Dublin Day planning.

The Halloween Party was again hosted by Dublin School and was a thrill for kids and parents.

The Committee looks forward to even better events and weather this year.

Respectfully submitted,

Kenneth McAleer, Chairman
Vicki Brown
Nancy Cayford
Connie Cerroni
Bruce Fox
Joanne Hopkins
John Nelson
Scott Rajaniemi

SUMMER PLAYGROUND ANNUAL REPORT

Dublin Playground celebrated its 25th summer with lots of change and new programs thanks to its staff, adult volunteers and location.

Senior staff member Marguerite Fontaine, 20, is a junior at Cornell University in Ithaca, NY. With the help of scholarships from the Dublin Community Church and the Town, she is doing SEA semester. She spends six weeks studying at Woods Hole, MA and then sails from Key West to the Bahamas, Honduras and Cuba. Meg is studying Marine Biology. The last three semesters, she has worked at the Cornell Comparative Coagulation Laboratory as an assistant. Meg coordinated all the field trips. She is certified in Life Guarding, CPR and First Aid.

Senior staff member Nic Fox, 19, is a sophomore at Trinity College in Hartford, CT. Nic works in the computer lab for work-study. He is a member of Trinity's track team. Nic and Meg made it possible for us to participate in the New Hampshire Hershey Track Meet, which is run simultaneously with all the New England states and eastern Canada. Joy and Dan O'Rourke assisted in driving to the competition. Hilary O'Rourke ran like the wind and Abe Fox tossed a mean softball. Next year should be their year.

Elizabeth Lawler, 18, a freshman at Bates College in Lewiston, ME, made the Dean's List. She also played on the JV and Varsity Soccer Teams. Liz computerized the playground attendance list. A total of 71 children went on the official roster. There were 5, five year olds, 6, seven year olds, 9, nine year olds and 8, thirteen year olds. Guests and drop-ins were not on the list. Liz is certified in Life Saving, CPR and First Aid.

Jonathan Brewster Fox, 18, a senior at Conval played on the varsity soccer team as a starter and captain. He is currently playing on the varsity basketball team. In the spring he will be playing on the Seacoast Club Soccer Team. JB and Nano played soccer with the children on the new field. JB's class is going white water rafting on the Kennebec River for their class trip.

Apprentices are: Greg, Joel, Simon & Nathaniel.

Greg Moore, 17, a junior was Conval's quarterback and chosen as first team all state as defensive back. Greg weight lifts in the winter and plays varsity baseball. Greg was on the senior Babe Ruth Team last summer. Next fall, Greg and Brad Davis will be the captains of the football team. Greg initiated very competitive whiffle ball games and is certified in first aid.

Joel Clark, 16, a junior played on the varsity golf team coached by Dana Hennessy. Joel is fifth in his class and on the high honor roll. He is a member of Conval's Improv Theatre. He is presently in the cast of Conval's NH entry for the Drama Festival. He is noted for his impressions of John Travolta at high school dances. Joel loves to go to the Library and encourages all the children to read. He is certified in First Aid.

Simon Steinbach, 16, is a sophomore and honor roll student at Conval. Simon enjoys skateboarding. He works part time at Del Rossi's year round. Simon was an active participant in the 4-square games. He is certified in First Aid.

Nathaniel Fontaine, 15, is a sophomore at St. George's School in Newport, R.I. He is on the varsity soccer, swim and baseball teams. He pitches and catches on the baseball team. Last summer he volunteered with NH Fish & Game. Last summer he played on the 15-year old Monadnock all-star Team representing 22 towns. During the championship game, he hit a two run homer over the scoreboard on Humiston Field. Nano worked hard with the 11 and up baseball on Wednesdays. He was a leader in the knockout games and won the obstacle course. He is certified in Life Saving, CPR and First Aid.

Dee Fontaine has been the Creator and Director of the Dublin Playground for 25 years. Dee is a certified teacher currently on the enrichment, Jaffrey-Rindge Middle and High School Safety Committee and Jaffrey-Rindge School District-Conant High School Safe and Substance Free School Advisory Committees.

This summer because of all the violence going on in the schools around us, there will be a new attendance procedure. The Consolidated School has already put in place a system where you can only enter the school through the front door with all the others locked from the outside. That way no unknown person can get by the Executive Assistant Donna Mullaney or someone else in the office. For part of the first hour, there will be a playground staff member sitting at a desk located just outside the front door to sign in children as they come and someone will also be present during part of the last hour. It is the parent's responsibility to make sure their child is signed in and signed out. The parent needs to put in writing who will be picking up the child. If there is no one at the sign in desk, then the parents, guardians, or designated drivers are to sign the child in or sign the child out. If the child is 13 and up, then the parent must specify or write an open note stating whether the child can come and go. The child will still have to check in and out with the staff as they always have.

The Dublin Playground has had a long history with the Dublin Riding and Walking Club. It has enriched the Playground's Program tremendously. Their relationship started simply enough years ago when the Playground went to Friendship Field and rode the horses stabled there. This lasted for two summers. Giving camp scholarships to children enriched their lives, which in turn benefited the playground. The adult babysitter at the beach helped us make it so more children could go to the Playground. This allowed more coverage for some of the working parents who could not send their children to either program without their help.

Last summer the Riding and Walking Club encouraged the children of Playground to participate in walking tours. They even supplied snacks and helped to transport them. Although this was on a small scale, I hope to put it on my calendar again this summer so families can plan ahead and more children will be able to participate.

Last summer, Craig Morroco, the State Fish and Game Officer for our area did tracking with the children. This summer, he is going to do something else. I think that both programs complement each other.

The Dublin Riding and Walking Club contributed \$500.00 towards the white water rafting trip. Forty-four adults and children participated in this once in a lifetime adventure to West Forks, Maine. We left at 7:00 am on a Thursday in August. On the way up, we stopped at the Bagel Mill in Peterborough and Hampton Beach before the tourist rush to walk the beach to stretch our legs. Wells, Maine to use up some energy and play miniature golf, video games and use the facilities. McDonald's in Skowhegan, Maine to practice our French, and on to West Forks, Maine where the Dead River and the Kennebec Rivers meet.

After unpacking and setting up some of the tents at our two-bed-and-breakfasts, we were off to Moxie Falls, the longest waterfall in New England. We walked a mile and a quarter in to swim in the pools that these continuous falls make. The woods were lovely and everyone had a great time. Back to West Forks for pizza and grinders at a local place and then home to a campfire and s'mores. Some children played cards while 17 of them played a wild game of Trivia Pursuit with 13 year old Ben Fox as the mediator. Some of the children drifted off to sleep while others were outside watching the meteor showers in a very clear sky. Friday brought packing up and going next door for the rafting instructions. After taking a bus along the power lines and seeing a fox along the way, the 12 and ups started their adventure. The younger children waited four and one half miles down stream on a high bluff watching the older rafters come around a big bend and then they joined them. After the rafting they were shown slides of the rafting along with some commentary. Next, there was a cookout with more than enough to eat. After a quick stop at the General Store, everyone settled in and left for home. The only stop was at the Trading Post in Kittery, Maine for fishing gear and to eat. We were home by 10:30.

The first movie shown on the bus was Fantasia. It was prelude to this wonderful and extremely successful trip to Maine. There were many wonderful firsts for each individual. But most important, the sharing and bonding of the different children and the different generations. This is the glue that ties Dublin Playground together.

Without the Club's help, this wonderful thing could never have happened. Our thanks to Connie Cerroni, Griesel Levene, Donna Bealby and Steve Fontaine for going with us.

Some of our new programs included a visit to the Greenville Wild Animal Park to see the baby Siberian tigers. Connie got to see the otter, an animal she would like to be. Nic, Liz, Meg, Dee and Mr. And Mrs. Dempsey were the other drivers. A ride in the Dublin Police cruiser with Officer Stephen Bell. Board game Marathon Day. Andrew Fox brought the best games. Berry picking at the Ellis Farm with Connie Cerroni, assisted by Buffy McPhee, Anne English, Meg Fontaine, Nic Fox and Liz Lawler. Jam making with Connie at the Town Hall. Raspberry, strawberry and strassberry were made. Laura Cerroni was the Chief Assistant Chef. After a successful deep-sea trip, we went to Hampton Beach and watched the fireworks.

The final trip to New York City included the Statue of Liberty, mooring at Ellis Island and Broadway. Mikki Reagan, Carmen Jones and Beth Pinney went to "Rent", and Connie, Brenda Korpi and Donna went to "Beauty and the Beast". Other adults were Dee, Meg, Nic and Liz. The NY trip will be replaced by the Boston trip. It will include the Aquarium, Omni and the Science Museum and Quincy Market. This trip as all the trips are, is open to anyone in the Town of Dublin. All adult chaperones always pay their way.

A 2-month-old golden retriever name Molly started playground with us in June weighing 12 pounds. She is now 9 months old, weighs 7½ pounds and is full of energy.

The Library activities thanks to Librarian Betty McIntyre and Vera Elder was held at the Playground. Each week a different guest did a different activity. Bruce Fox read some of his favorite books. Tim Clark did a Story Theatre and the children had great fun making fun of Dee. Laura Woerner played the guitar after Joe Cavanaugh; Clerk of the Works gave the children a complete tour of the new addition. The children all signed their names on the new floor in the children's section. Linda Oja and Wendy Young read and did gimp with the children. Marty Price read and did a project with the children. Nancy Cayford read and did Indian dancing with them. Nancy brought a lot of examples of Indian things. All the children who participated in the Reading Program received a gift certificate to The Toadstool.

Winner of the Dublin Road Race was Cecelia Webber with a time of 2:46:66.

Once again, Ben Simpson brought his own TV and this year a Super Nintendo system. He traded up for the system. Our thanks to Ben for using his Yankee ingenuity.

Children recognized at Field Day for helping a lot were Cecelia Webber, Clare Gallagher and Laura Ceroni. Crissie MacKay helped out by watching some of the younger children.

Special thanks the Dublin Community Foundation contributed \$2,000, to Diddie Staples who just retired from the Foundation Board to Vira Elder who helps with the paperwork and getting the Field Trips ready. Steve Reagan, the Dublin Consolidated School Custodian.

Once again, Dublin School has given the children participating in the Program, Dublin School athletic, shirts and shorts. Thank You.

In addition, to the names already mentioned, Playground wishes to give thanks to Dick Peloquin, Marion Latti, Mike Walker, Steve Knapp, David Rollins, Donna Mullaney, Gerry and Kathy Wolf, Yankee, Jim Letourneau, Walter Snitko, Bill Gurney, Nancy Campbell, Sylvia Fox, Betsy Harris, Story Wright, Brian Barden, Cecily Bastedo, Dana Hennessy, Carr's Store and the Dublin Women's Club.

Respectfully submitted,
Dee Fontaine, Director Summer Playground

DUBLIN PUBLIC LIBRARY ANNUAL REPORT

1999 started off with hard work by a lot of people to share their enthusiasm for an addition to the library. The March Town Meeting with a vote to build the addition was the culmination of that hard work. The construction started in April with ground breaking ceremonies in May. Then the fun began every day there was something new. Soon the interior of the original library changed with the charge desk moved, a wall put up and a sidewalk superintendent window installed. That window proved to be a window on the construction world. Everyone enjoyed peeking through to see what was happening.

Programs continued with the Friends of the Dublin Library running programs from Dublin School (Thank you) and the reading group meeting in homes. The summer reading program was held at the new Dublin Consolidated School, Thank you to all who helped out reading, doing crafts, dancing, and with music.

This November when the call went out for volunteers to help pack and move books over 60 people stepped forward to help. It was a wonderful time for every. THANK YOU....

As the library reopens in the next century the townspeople of Dublin will look with pride at what their support of the library has produced.

Attendance in 1999 was 3702 circulation of books, videos, audio tapes and magazines 6879.

Thank you to the staff of the Library for their support and hard work. Please come in and meet the staff. See what is happening in your Library.

Appreciation and thanks to those serving on the Board of Trustees, the Library Expansion Committee, Friends of the Dublin Public Library, supporters of the programs offered by the Library and to all who donated books, magazines, videos, audio tapes and monetary donations.

Respectfully submitted,

Elizabeth McIntyre

DUBLIN PUBLIC LIBRARY TRUSTEES ANNUAL REPORT

First and foremost, thank you to all the citizens of Dublin for your ongoing support this past year. Thanks to your help, your donations and your votes at Town Meeting 1999, the library expansion and renovation was given an overwhelming voice of approval to begin construction. Donations for the project, as of 12/31/99, totaled \$535,378.

A ceremony for the groundbreaking of the addition was held on May 11th. The new construction continued throughout the summer, and the renovation of the original building began this past fall. The project flourished with the everyday guidance of Joe Cavanaugh, the town appointed clerk of the works. We are all greatly appreciative of his dedication and expertise. The support, assistance and continued interest of the Selectmen, the Budget Committee, the Friends of the Library, the Library staff and many, many others is appreciated as well.

With the expanded facility in mind, the Trustees held a special meeting last October to develop and prioritize long range goals which they thought would be of the most value to the library and the community it serves. Distinctive areas of value were defined in terms of vision through the year 2005, strategic initiatives, specific objectives and timetables for measurement. The Trustees will be addressing: the adult community, children/young adults, community communications, historical library documents, technology, the facility, new financial resources, the staff and the Board of trustees as stewards of the library.

In December, John Harris was invited to speak and share his expertise with the Trustees about indexing, cataloging and preserving the library's unique collection of photographs, books and news clippings.

The library was closed for several months during the holidays and the beginning of Y2K as the final interior work on the addition and the renovation progressed.

Again, thank you for your help. We look forward to seeing you in the beautiful renewed library throughout the coming year and for many years to come.

Respectfully submitted,

Adele Knight, Chair
Library Trustees

CEMETERY TRUSTEE'S ANNUAL REPORT

In 1998 the Cemetery Trustees submitted proposals to the Dublin Garden Club in response to their solicitation for possible projects to commemorate the year 2000. We were notified in 1999 that our proposals were selected for funding and work was started in the fall. As a result of the Garden Club's generosity, the main entrance to the cemetery has been cleared of undesirable vegetation, the front stonewall repaired, and an unsightly wood fence removed and approximately 64 feet of new stonewall with two old granite gate posts erected in its place. Final landscaping will take place in the spring. Our thanks and appreciation to the Dublin Garden Club for making this possible!

We were forced to remove two very old maples this year, as they did not recover from the 1997 ice storm. We have, however, planted a total of nine (9) new maples over the past two years and hope to continue our program of adding trees to replace those which are vulnerable to loss due to extreme age and storm damage. Anyone interested in donating a tree should contact any trustee or the superintendent.

We hope to clean up the area adjacent to the site of Dublin's first meeting house (within the Meeting House Lane section of the cemetery) in 2000, and are considering substitution of old granite posts for the current wooden gates now being used at various access points if funding can be obtained.

The need for cemetery expansion remains compelling and our suggested plan for a small town-owned adjacent lot being used for this purpose in 2004 needs your support.

Respectfully submitted,

Henry Campbell
Robert Knight
James Sovik
David Elder, Superintendent

ARCHIVES COMMITTEE ANNUAL REPORT

During the year, in addition to processing, cataloguing and indexing the Town's records for 1993, the Archivists spent 75 hours answering 144 requests for information from Town records. Some of these requests include documents from both Town and Historical Society records. Requests for documents include information for genealogical purposes (i.e. birth, death or marriage records, tax records and checklist records) and general information about the Town and the everyday business records of the Town (i.e. building permits, Board of Adjustment records, current use records, Planning Board records, roads records, septic system plans, and tax maps). Since 1996 when the Town and Historical Society jointly built the archives building, the number of requests for information has almost doubled from 80 in 1996 to 144 in 1999.

A group from the Hancock Historical Society visited our facility to see what we had done for cataloguing and computerization of records.

We acquired a new computer and printer, and we share a scanner with the Historical Society. This year, we hope Town Meeting will approve funds for the restoration of the Town's original charter.

If you were or currently are a Town official and you have Town documents in your possession that you no longer need, the Archives would like to have them.

The archives' building is open Tuesday mornings from 9 to 12 for Town business. Visitors are also welcome most other mornings or by appointment. Our telephone number is 563-8545 and our e-mail address is dublinhistory@monad.net.

Respectfully submitted,

Nancy E. Campbell, Archivist
John W. Harris, Assistant Archivist

HISTORY COMMITTEE ANNUAL REPORT

Vernon Tom Hyman, the writer of the new Dublin history, has been busily working during 1999. The History Committee and the Editorial Review Committee have tentatively approved two-thirds of the book. As of this writing, we expect to have a draft of the complete book by the end of 1999. We anticipate soliciting bids for the publication of the book in 2000. We are aiming for a publication date of April 1, 2002.

We are also looking for photographs to include in the new book. The Dublin Historical Society, The Dublin Public Library, *Yankee* Magazine and several townspeople have generously supplied the Committee with numerous photos for possible inclusion in the book. We thank them for their generosity. If anyone else has photos of people, events, buildings or townscapes from the 1940's until the 1980's that they would like to share with us, we would be most grateful to see them.

Genealogy questionnaires have continued to come in throughout the year. If you have not returned yours yet, we encourage you to do so.

Finally, the Committee would like to recognize the contributions that Nancy Perkins made to the History Book Project. Nancy was instrumental in raising the money needed to initiate and complete this project. She was also tireless in her efforts to complete a chronology of people and events since the publication of the 1916 history. She will be greatly missed by the Committee and the Town.

Nancy E. Campbell
Ruth S. Hammond
Jean B. Wenigmann

DUBLIN LAKE PRESERVATION COMMITTEE ANNUAL REPORT

In its third year the Dublin Lake Preservation Committee, established by the Selectmen in 1997, has the charge to monitor the condition of the lake and bring forward regular reports on its condition. Meetings have been held monthly from April through January. An ambitious mailing to all Dublin residents for donations to a fund for engineering studies for stabilization of the lakeshore netted over \$10,000 from about 90 generous citizens. These studies will be done in the spring.

For help in the renovation of the lakeshore, grant applications have been submitted to the DES nonpoint pollution program for work on East and West Lake Roads and to the T21 (ISTEA) federal program for the NH Park property along Route 101.

Remedies for the sand and salt pollution of the lake are being sought in conjunction with the Conservation Commission.

Trees falling into the lake are an ongoing problem because they increase the nutrients in the water and rip soil off the banks. Landowners are urged to remove them from the lake.

The Vortechs settling tanks on Cemetery Cove were inspected and found to be in working order. The project was signed off as completed.

On June 11, Community Service Day, 15 Conval students worked with members of the DLPC in picking up trash and cutting silt fences. Richard Holmes of the Friends of John Denver, who pick up trash on Route 101 along the lakeshore, has attended some of the DLPC meetings.

Kiosks have been placed around the lake for the "angler" signs, instead of nailing them to trees. The Garden Club of Dublin and the Community Foundation funded the project.

To address some of the watershed issues, a map has been made which confirms the fact that the watershed lies entirely in the Connecticut River watershed. Clear cutting of trees remains a concern, especially in this area. Since the size of the watershed is small in regard to the volume of Dublin Lake waters, there is marked apprehension about pollution. Water testing is done by members of the Garden Club of Dublin and is supported by the Garden Club and the Conservation Commission. The tests continue to show water of swimming quality. There are plans to extend the scope of the project.

DUBLIN TRANSPORTATION COMMITTEE ANNUAL REPORT

In December of 1999, the Selectmen appointed the Dublin Transportation Committee in order to study the traffic situation and develop strategies to ameliorate identified problems. The first priority is to address the effects of NH101 on safety, traffic flow, community life, and the environment. The reasoning and recommendations put forward in the Dublin contribution to the Southwest Region Planning Commission NH101 Corridor Study in November 1999 serve as basis for the work. The committee may also explore other transportation issues as they pertain to the Town of Dublin.

Among the projects for the coming year are an elementary school safety plan as well as studies of traffic accidents, traffic calming road design, through trucks, and pollution along NH101.

REPORT OF THE MONADNOCK ADVISORY COMMISSION

REPORT TO THE TOWN OF: JAFFREY, DUBLIN, MARLBOROUGH, TROY AND FITZWILLIAM

The Monadnock Advisory Commission is charged by the State of New Hampshire under *Revised Statutes Annotated* (RSA) 259:1 to advise the Department of Resources and Economic Development (DRED) on the management of their lands and leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The lands are located on Mt. Monadnock, Gap Mountain, and Little Monadnock Mountain (Rhododendron Park).

Saturday, June 16, 1999, the Commission met at The Inn at East Hill Farm in Troy. Business attended to was as follows:

- Discussion on the Monadnock Management Plan was tabled in light of pending legislation to fund a master plan for Monadnock, Gap, and Little Monadnock Mountains. The plan will be formulated sometime after the end of the year.
- Continued discussion on the Dublin Trail parking lot in Dublin.
- The republication of the Monadnock Guide.
- Legislation has been introduced to allow the Commission to accept gifts, grants, and donations and to have tax exempt status. The bill was subsequently passed.
- A time capsule will be buried somewhere at the base of the Mt. Monadnock on or about May 1, 2000.

The public is encouraged to contact their Commission members with suggestions and comments.

Members of the Monadnock Advisory Commission are:

Jaffrey	Ann Royce, Bill Elliott
Dublin	Betsy Harris, Tom Wright
Marlborough	Ernie Linders
Troy	David Adams
Fitzwilliam	Daniel Leary, Thomas Parker

Respectfully submitted,

Bill Elliott

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF DUBLIN
JANUARY 1, 1999 TO DECEMBER 31, 1999

ANNUAL REPORT

In 1999, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Dublin. The following information represents a projection of HCS's activities in your community in 1999. The projection is based on actual services provided from January to September 1999 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED

SERVICES PROVIDED

Nursing	139 Visits
Physical Therapy	44 Visits
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Medical Social Worker	9 Visits
Nutritionist	0 Visits
Homemaker Hours	28 Visits
Home Health Aide	132 Visits

Total Unduplicated Residents Served: 14

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents.

FINANCIAL REPORT

The actual cost of all services provided in 1999 with all funding sources is projected to be \$22,056.56.

These services have been supported by Medicare, Medicaid, other insurances, grants and patient fees.

For 2000, we request that an appropriation of \$2,000.00 continue to be available if needed for home care services for Dublin residents.

Thank you for your consideration.

SOLID WASTE COMMITTEE ANNUAL REPORT

The Solid Waste Committee was appointed by the Selectmen in the fall, and its purpose is to evaluate Dublin's solid waste program to assess its present adequacy, future direction, and make specific recommendations for change if warranted. As part of our review, committee members visited solid waste facilities in other towns, met with Waste Management Inc., talked with various recycling agencies, etc. Alternate municipal options, such as pay-per-bag disposal and total privatizing, were considered.

A. Strengths of our solid waste program:

Brian Barden, who manages the operation, has done a very good job in keeping abreast of the recycling markets and implementing improvements such as the oil containment system, retaining wall for metal containers now under construction, etc.

Dublin's small size and composition of its solid waste (primarily residential waste) make Disposal a manageable issue.

Our Dublin community has a strong commitment to recycling, and the recycling services now offered present a good opportunity to keep our overall disposal costs reasonable.

Dublin's per capita disposal costs are low relative to other towns due to our high recycling percentage, which currently exceeds the state target of 40%.

B. Concerns:

The solid waste facility straddles very important wetlands with limited space to operate and the potential for pollution from a variety of stored items or burn ash does exist.

The facility is virtually out of capacity to accept stumps, tree trunks, and large loads of building rubble, some of which should not legally be burned.

The labor intensity of processing our recyclables has led to an inability to consistently monitor compliance with regard to authorized use of the facility and with Dublin's mandatory recycling regulations. (Although Dublin's recycling percentages are high, these numbers appear to have degraded to some degree since the facility was opened.)

Projected costs per ton for solid waste disposal are trending higher, and the number of service suppliers is decreasing to the point where a near monopoly exists. Therefore, it is imperative that the town target increased recycling efficiency, as well as explore new markets for other products (i.e., textiles, electronic equipment, etc.) to pull out of our compacted trash.

Committee Recommendations:

1. Retain the system now in effect, which strives to optimize our recycling program and pay to have our remaining solid waste hauled to a state approved lined landfill.
2. Effective April 1, 2000, stop accepting stumps, tree trunks, and limbs over 5" in diameter. The law permits burial of these items on the property from which they were generated or the property owners can contract privately for their disposal.
3. Effective April 1, 2000, limit building rubble and other materials now going to the "burn pile" to ½ pickup loads or less. Larger loads will have to be taken to Peterborough's Waste Management Transfer Station, where users will pay (currently) \$0.05/lb for disposal. Brush under 5" in diameter should continue to be accepted in any quantity from individual (but not commercial) generators.
4. Continue to accept clean fill, but develop a program to utilize this material to cover existing stockpiles of stumps, existing rough dump and cut areas, etc. adjacent to the facility. Continue to compost and similarly utilize this material for cover.
5. Increase monitoring of incoming materials and facility users and reduce the labor intensity of handling recyclables so as to remain within budget. Explore concepts such as selling loose vs. baled paper, less segregation of glass, etc. which may free up manpower for better monitoring which will reduce our paid disposal tonnage.
6. The entire area of town owned land, including portions surrounding the town barn, present transfer station, old landfill area, adjacent abandoned gravel pit, and related wetlands, should be studied as a whole and plans made for improved maintenance and future use of the area. Committee member Chris Salem has agreed to propose to the Dublin Conservation Committee that they undertake this project this year.
7. Finally, we recommend that the Selectmen appoint a small standing committee to work with the facility manager to assist to addressing the concerns noted above. To maintain "cutting edge" recycling programs, keep the public well informed, evaluate fee structures and explore opportunities to minimize future costs will require a sizable time commitment which is beyond the time one individual can be reasonably expected to put in and still be effective.

At this juncture, we believe we have concluded our task and hope that the recommendations contained herein be implemented in their entirety. Brian Barden deserves Dublin's recognition and thanks for his efforts and expertise in managing this facility in an efficient, reliable, and cost effective manner.

Respectfully submitted,

Jim Sovik, Chairman
Brian Barden
Bruce McClellan
Tom Robinson
Chris Salem

ABSTRACT OF THE 1999 TOWN MEETING DUBLIN, NEW HAMPSHIRE

The first session of the Dublin Town Meeting, election of officers and articles proposing changes to the Dublin Zoning Ordinances, was held on March 9, 1999. Voting took place in the Lower Town Hall with the polls opening at 8:00 a.m. and closing at 7:00 p.m. Town Moderator, Bruce McClellan, presided. The results of the balloting are as follows:

Article 1:

One Year Terms:

Library Trustee	Christopher J. Flynn
-----------------	----------------------

Two Year Terms:

Library Trustee	Christopher R. Horgan
CONVAL Municipal Budget Comm.	Theodore Lizotte

Three Year Terms:

Selectman	Dick Peloquin
Town Clerk/Tax Collector	Barbara Sovik
Trustee of the Trust Funds	Willard W. Goodwin
Budget Committee	Elvira (Vira) Elder

	Alan Greene
Planning Board	John A. Nelson
	Robert J. Price

Library Trustees	Rovena Robinson
	Cecily Bastedo

Cemetery Trustee	Robert Knight
------------------	---------------

PROPOSED AMENDMENTS TO THE DUBLIN ZONING ORDINANCE

Article 2: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To allow the Planning Board to waive lot size and frontage requirements in the case of a subdivision for the sole purpose of conservation.”

Yes - 215

No - 108

Carried

Article 3: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To require that all motor oil/gasoline storage tanks for gasoline service stations and repair garages be placed underground in accordance with state rules.”

Yes - 251

No - 72

Carried

Article 4: Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To require a Lighting Plan as part of the Building Permit application and subject all exterior lighting to the standards of the Dublin Site Plan Review Regulations.”

Yes - 174

No - 144

Carried

Article 5: Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To clarify that front setbacks are to be measured from the edge of the right-of-way, not the centerline.”

Yes - 227

No - 86

Carried

Article 6: Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To strike the term “non-paying guests” from the qualifications for use of a Recreational vehicle.”

Yes - 206

No - 89

Carried

Article 7: Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To add to the Regulations for Development on steep slopes that neither a building permit nor a driveway permit will be issued until all requirements of that section are satisfied.”

Yes - 226

No - 99

Carried

Article 8: Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To note within Article III, H - Signs - that there are different requirements for signs in the Scenic Gateway overlay District.”

Yes - 199

No - 105

Carried

Article 9: Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To substantially rewrite Article VIII-NON-CONFORMING USES, with an intent toward addressing the issue of expansions and alterations on both conforming and non-conforming lots.”

Yes - 205	No - 97	Carried
-----------	---------	---------

Article 10: Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

“To add new definitions for Veterinary Establishments, Commercial Kennels, and Private Clubs and Lodges.”

Yes - 223	No - 81	Carried
-----------	---------	---------

1999 TOWN MEETING
MARCH 13, 1999

The business portion of the Dublin Town Meeting was held at the Dublin School’s new Whitney Gymnasium on March 13, 1999. The meeting was called to order at 9:10 a.m. by Moderator Bruce McClellan.

Dublin Girl Scout Troop #325 began the meeting by leading those present in the pledge of allegiance. The necrology was then read by Moderator McClellan followed by the Moderators’ prayer.

Selectman Charles Winchester proposed a resolution to formally thank the officials of Dublin School for making their facilities available for this year’s town meeting. This resolution was passed on a voice vote.

The annual Citizen of Year award was presented this year to Nancy Perkins. Selectman Winchester cited Nancy’s activity “with every major undertaking by the town over the past 25 years.” Nancy has been a member of the Conservation, History, and Master Plan committees as well as participating in the Town Hall Renovation, Post Office, Archives and recreation land projects.

Selectman Michael Walker expressed his appreciation to outgoing Selectman Charles Winchester for his six years of service to the town.

Moderator Bruce McClellan gave a brief outline of the rules and voting procedures to be followed during the meeting. A motion to waive the reading of the Warrant was made and seconded. This motion passed by a voice vote.

Conval School Board representative Mary Clark presented an update on the progress of the Consolidated School expansion.

The first article to be discussed during this meeting was Article 11.

Article 11: "Move to raise and appropriate the sum of \$684,885.00 (Six Hundred Eighty-four Thousand Eight Hundred and Eighty-five Dollars) for the purpose of expanding, renovating and equipping the Dublin Public Library. Upon receipt and acceptance of donations, grants and other funds in the amount of at least \$214,885.00 (Two Hundred Fourteen Thousand Eight Hundred and Eighty-five Dollars) for this purpose, to authorize the Town:

1. To withdraw from the Library Addition, Furnishings and Equipment Capital Reserve Fund the sum of \$70,000 (Seventy Thousand Dollars) plus accumulated interest;
2. To borrow or to issue and negotiate long term bonds or notes in accordance with the Municipal Finance Act (RSA 33) a sum not to exceed \$400,000 (Four Hundred Thousand Dollars) and,
3. To receive all donations, grants and other funds raised for this purpose. Or to take any other action related thereto.

This shall be a non-lapsing article as per RSA 32:7 VI and shall not lapse until December 31, 2001." (Two thirds ballot vote required)

Presentations by Library Expansion Committee members Adele Knight, Christopher Flynn, and Joseph Cavanaugh reviewed the committee's fund raising efforts and the amount pledge to date, the architectural design proposed, and the financial aspects of the project.

In response to questions regarding funding, committee members stated that they would not be receiving State or Federal funds; but they did indicate that they would be pursuing the possibility of grants from private foundations once the library expansion got underway.

Moderator McClellan declared the polls open for this article at 10:45 a.m. and they remained open until 11:50 a.m.

Yes - 161

No - 48

Carried by two-thirds

Article 12: "To see if the Town will authorize the Selectmen to accept and expend monies for renovation and expansion of facilities within the current Library building. Total cost to be borne by private donations and from the Library Addition Furnishings and Equipment Capital Reserve.

In the event that the private donations and the Capital Reserve Fund exceed the total cost, such surplus funds shall be used to created a Trust Fund whose interest and dividends shall be used to offset operational costs, including maintenance and repair.”
(Inserted by petition) (Majority vote required)

This article was declared not a legal ballot and was therefore, passed over.

A motion was made to discuss Article #31 at this time. The motion was seconded and passed by a voice vote.

Article 31: “Move to winter maintain Page Road from Oxbow Road to Upper Jaffrey Road, or to take any other action relating thereto.” (Majority vote required)

Yes - 85	No - 67	Carried
----------	---------	---------

Article 13: “Move to accept reports of Agents, Auditors, Committees, heretofore chose.”
(Majority vote required)

Treasurer Lewis Hansen revised his Treasurer’s report on Recycling Special revenue Fund Financial Report to increase the total receipts from \$3,188.45 to \$7,188.45.

Carried

Article 14: “Move to accept certain Cemetery Trust Funds as follows:

Coleman Townsend	\$400.00
Henry Lee III	\$400.00
Zaiga Greenhalgh	\$200.00
Marion O’Connor	\$ 75.00

Carried

A motion was made to discuss Article 25 at this time. The motion was seconded and passed.

Article 25: “Move to make the Fire Chief position full time, including benefits, to begin April1, 1999. Salary for this position shall be \$25,000 (Twenty Five Thousand Dollars) annually plus health, life and retirement benefits. Further, to raise and appropriate the sum of \$16,996 (Sixteen Thousand Nine Hundred Ninety Six Dollars) to provide for the net increase in salary and benefits.” (Majority vote required)

Carried

Article 15: "Move to appoint Brian Barden as, Measurer of Wood and Bark." "Move to appoint Brian Barden, Cleston Staples and Daniel Walsh as Memorial Day Committee."
(Majority vote required)

Carried

Article 16: "Move to authorize the prepayment of taxes and to authorize the Tax Collector to accept payment in prepayment of taxes in accordance with RSA 80:52-a."
(Majority vote required)

Carried

Article 17: "Move to accept the operating budget submitted by the Budget Committee and to see if the Town will vote to raise and appropriate the sum of \$1,170,203.00 (One Million One Hundred Seventy Thousand Two Hundred Three Dollars) exclusive of the amounts contained in all other articles in this warrant." (Majority vote required)

Carried

Article 18: "Move to raise and appropriate the sum of \$24,000.00 (Twenty Four Thousand Dollars) for the purpose of repair of the #2 pumper fire truck." (Majority vote required)

Carried

Article 19: "To see if the Town would like to have the Dublin Landfill kept as a separate department from the Highway Department, i.e., separate records, separate entries in the annual Town Report with better record keeping like other landfills."
(Inserted by petition) (Majority vote required)

Yes - 16

No - 98

Failed

Article 20: "To see if the Town would like to have the Dublin Road Agent re-instated to an elected position with the term of office to be three consecutive years."
(Inserted by petition) (Majority vote required)

Yes - 14

No - 95

Failed

Article 21: "Move to raise and appropriate the sum of \$38,720 (Thirty Eight Thousand Seven Hundred Twenty Dollars) for the purpose of reimbursing the CONVAL School District for excess costs incurred in constructing the Dublin Town Playground."

Yes - 60

No - 47

Carried

Article 22: “Move to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) for the purpose of purchasing a Power Broom.” (Majority vote required)

Carried

Article 23: “Move to appropriate \$4,000 (Four Thousand Dollars) from surplus in the Recycling Center Special Revenue Fund for repair and improvements to the Dublin Transfer Station Facility.” (Majority vote required)

Carried

Article 24: “Move to raise and appropriate the sum of \$54,200 (Fifty Four Thousand Two Hundred Dollars) for the purpose of road construction. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2001.” (Majority vote required)

Carried

Article 26: “Move to raise and appropriate the sum of \$27,550 (Twenty Seven Thousand Five Hundred Fifty Dollars) for the purchase of a new police cruiser and to authorize the withdrawal of \$26,450 (Twenty Six Thousand Four Hundred Fifty Dollars) from the Police Cruiser Capital Reserve Fund created for that purpose. The balance of \$1,100 (One Thousand One Hundred Dollars) is to be raised from general taxation.” (Majority vote required)

Carried

Article 27: “Move to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) for the purpose of repairing the sills in the Post Office Building.” (Majority vote required)

Carried

Article 28: “Move to raise and appropriate the sum of \$61,000 (Sixty One Thousand Dollars) to be placed in the Capital Reserve Funds as previously established.

Heavy Highway Equipment	\$25,000.00
Police Cruiser	\$ 8,000.00
Fire Equipment	\$25,000.00
Town Building Maintenance	\$ 3,000.00”

(Majority vote required)

Carried

Article 29: "Move to accept the paved portion of Greenwood Road (shown on the Norman Davis Subdivision map approved by the Planning Board, October 15, 1987) as a Town Class V highway." (Majority vote required)

Carried

Article 30: "Move to adopt the provisions of RSA 202-A:4-d authorizing the Library to accept gifts of personal property, other than money, which may be offered to the Library for any public purpose, provided however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town of the Library Trustees to raise and appropriate and expend any public funds for the operation, maintenance, repair or replacement of such personal property. Such authorization shall remain in effect until rescinded by a vote of the Town Meeting." (Majority vote required)

Carried

Representative Daniel Burnham proposed "A Resolution for Campaign Finance Reform" in support of the efforts of Doris Haddock who is walking across the country to bring attention to this issue. The resolution also urged the General Court of New Hampshire to pass campaign reform legislation. Representative Steven Avery objected to a vote on this resolution citing the fact that a substantial number of residents had already left the meeting. The resolution was voted on by voice vote and carried.

The meeting was adjourned at 2:15 p.m.

Respectfully submitted,

Barbara Sovik
Town Clerk

SITE INSPECTOR ANNUAL REPORT

This year there were 7 permits issued for new homes. In addition the following permits were issued:

Brian Barden, Site Inspector

1999 Building Permits

Permit #	Name	Map Lot	Type of Permit	Estimated Cost
99-01	Richard Rebolledo	3 32F	laundry/den	10,000
99-02	void			
99-03	George Rublee	6 47	new chimney	
99-04	Wm Barker Rev Trust	6 4	3 car garage with apt	125,000
99-05	Nellie Crossley Trust	3 74	demolish house	
99-06	George Rublee	6 47	add dormer, move bathroo, new chimney	
99-07	Albert Lapinsky	8 2	demolish barn/garage	
99-08	Dublin Library	16 11	addition/renovation	600,000
99-09	Carolyn Demorest	7 8A	generator	
99-10	Edward Colbert	5 71A	shed	7,000
99-11	Albert Lapinsky	8 2	garage	16,000

**Town of Dublin
State of New Hampshire
2000
Town Meeting Warrant**

To the inhabitants and voters of the Town of Dublin qualified to vote in Town Affairs: You are hereby notified that the polls will open for voting by ballot on Articles 1 – 7 on **Tuesday, March 14, 2000 from 8 a.m. to 7 p.m. at the Dublin Town Hall.**

Pursuant to the authority of RSA 39:2a and the vote of the Town on March 13, 1979, all business, other than ballot questions provided above, will be recessed until **Saturday, March 18, 2000 at 9 a.m. at the Dublin Consolidated School.**

Article 1.

To bring the ballots for the following officers:

- One Selectmen, unexpired term of two years
- One Selectmen , three year term
- Moderator, two year term
- One Trustee of Trust Funds, three year term
- One Supervisor of the Checklist, six year term
- Two Budget Committee Members, three year terms
- One Cemetery Trustee, three year
- Two Planning Board Members, three year terms
- One Planning Board member, one year term
- One Library Trustee, three year term

Article 2.

Are you in favor of the adoption of **Amendment # 1** as proposed by the Planning Board for the Dublin Zoning Ordinance, as follows:

To add a new Paragraph U to Article III, GENERAL PROVISIONS:

U. RECREATIONAL USE/TEMPORARY OCCUPANCY OF SHORELANDS:
Camping and other temporary occupancy of shoreland properties shall only be allowed subject to the following conditions:

1. Structures used for occupancy, including but not limited to tents, campers, or motor homes, shall only be permitted on the lot for no more than three

(3) weeks in any calendar year. When this time period has elapsed, the structure shall be removed.

2. For the purpose of the Shoreland Protection Act, and applicable Dublin regulations, the structure shall be considered a primary structure.
3. The overall use of the lot, inclusive of location of structure, lighting, etc. shall be conducted in such a way as to minimize or eliminate visual impact from the road(s) or abutting properties.

Article 3.

Are you in favor of the adoption of **Amendment # 2** as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

To amend Article III, H. SIGNS, by limited the total square footage of signage per property to 32 square feet.

Article 4.

Are you in favor of the adoption of **Amendment # 3** as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

To amend Article XX – SCENIC GATEWAY OVERLAY DISTRICT – Paragraph B and D to clarify that any change or expansion of use shall cause the property to be subject to the buffering provisions; and to reduce the width of the required buffer from 50 to 30 feet.

Article 5.

Are you in favor of the adoption of **Amendment # 4** as proposed by the Planning Board for the Dublin Zoning Ordinance as follows:

To amend Article XI, BOARD OF ADJUSTMENT, Paragraph E. 4. Gasoline Station, Repair Garage by adding subparagraph e. and f.

- e. There shall be no more than two (2) gasoline fuel pumps with one dispensing hose on each side, and room for no more than four (4) vehicles to refuel at a time.
- f. The dispensing of kerosene and diesel fuel shall be kept separate from the gasoline pumps.

Article 6.

Are you in favor of the adoption of **Amendment # 5** as prepared by the Planning Board for the Dublin Zoning Ordinance as follows:

To add to Article XVII – DEFINITIONS - a definition of “footprint,” and amending the definition of “structure.”

13. **FOOTPRINT** – The horizontal area measured from the outside walls of structure, but not including fire escape or steps.
37. **STRUCTURE** – Any built improvement to the property, **whether temporary or permanent**, with the exception of underground utilities and drainage facilities.

Article 7.

Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Dublin Town Meeting? (By Petition) Requires 60% vote to pass.

Article 8.

To hear the reports of Agents, Auditors, Committees, heretofore chosen, and to pass any vote relating thereto.

Article 9.

To see if the Town will choose all necessary officers, Measurer of Wood and Bark and Memorial Day Committee, or take any other action relating thereto.

Article 10.

To see if the Town will vote to authorize the prepayment of taxes and to authorize the Tax Collector to accept payment in prepayment of taxes in accordance with RSA 80:52-a, or take any other action relating thereto.

Article 11.

To see if the Town will vote to accept the **operating budget** submitted by the Budget Committee and to see if the Town will vote to raise and appropriate the sum of **\$1,444,425** exclusive of the amounts contained in all other articles in this warrant, or to take any other action relating thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 12.

To see if the Town will vote to raise and appropriate the sum of four thousand dollars (**\$4,000**) for the publication of the **Dublin Advocate**, or take any other action relating thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 13

To see if the Town will vote to approve an application from the Town of Dublin to the NH Wetlands Bureau to designate four of the largest and most valuable wetlands in the Town of Dublin (as identified in the January 1999 Dublin Prime Wetlands Report No. 1: Mud Pond, Great Swamp, Lower Troy Road Wetlands, and Knights Swamp) as Prime Wetlands, as provided by RSA 482-A:15 and Chapter Wt. 700 of the NH Wetlands Bureau Administrative Rules, or take any other action relating thereto.

Article 14

To see if the Town will vote to raise and appropriate the sum of one hundred and eight thousand dollars (**\$108,000**) for the purchase of a new **dump truck** and to authorize the withdrawal of one hundred and eight thousand dollars (**\$108,000**) from the **Heavy Highway Equipment Capital Reserve** Fund created for this purpose, or take any other action relating thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 15

To see if the Town will vote to retain and hold for public use for town cemetery purposes, Map 15 Lot 14 consisting of 0.63 acres and which was acquired by tax deed in May, 1991, or take any other action relating thereto.

Article 16

To see if the Town will vote to accept certain Cemetery Trust Funds as follows, or take any other action relating thereto.

Bern & Robert Knight	\$200
Parker Leighton	\$100
John & Elsie Pratt	\$200
K Boothby Sistare	\$600

Article 17

To see if the Town will vote to **establish a Capital Reserve Fund** under the provisions of RSA 35:1 for the purpose of future **Cemetery Expansion** and to raise and appropriate the sum of five thousand dollars (**\$5,000**) to be placed into this fund, or to take any other action relating thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 18

To see if the Town will vote to raise and appropriate the sum of sixty-one thousand dollars (**\$61,000**) to be placed in the **Capital Reserve Fund** as previously established:

Heavy Highway Equipment	\$25,000
Police Cruiser	\$ 8,000
Fire Equipment	\$25,000
Town Building Maintenance	\$ 3,000

or take any other action relating thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 19

To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the **250th Anniversary Celebration/2052 Visioning Fund** for the purpose of special events for such celebrations and appropriate the sum of seven thousand dollars (\$7,000) toward this purpose and to further vote to appoint the selectmen as agents to expend from this trust fund.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 20

Shall we adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax? (Submitted by Petition) (Majority vote required to pass and will take effect April 1)

Not Recommended by the Board of Selectmen
Not Recommended by the Budget Committee

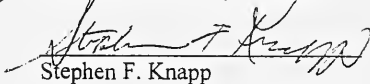

Article 21.

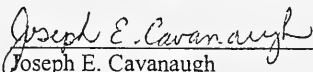

To see if the Town will vote to raise and appropriate the sum of Five thousand six hundred dollars (\$5,600) for the purchase of a recycling oil furnace for the town highway barn, or take any action related thereto.

Recommended by the Board of Selectmen
Recommended by the Budget Committee

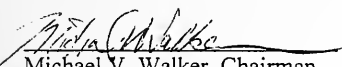

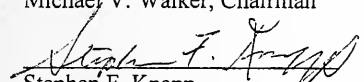

Given under our hands and seal this 9th day of February 2000.

Michael V. Walker, Chairman

Stephen F. Knapp

Joseph E. Cavanaugh
Board of Selectmen
Town of Dublin

Posted this 10th day of February 2000 at the Dublin Post Office, Town Hall, Carr's Store, Dublin
Public Library and Dublin General Store.

Date October 26, 1999

(Please Sign in Ink)

PORTS REQUIRED: RSA 21-J:34, as amended, provides for certification of valuations, appropriations, estimated revenues and such other information as the Department of Revenue Administration may require upon forms prescribed for that purpose.

Turn this completed Summary Inventory form to the Dept. of Revenue Administration, P.O. Box 487, Concord, NH 03302-0487 by September 1st.

You may duplicate Page 6 for each district whose valuation differs from the Town/City valuation; please note the name of the district at the top of each Page 6 provided. Thank you.

PENALTY: FAILURE TO FILE BY SEPTEMBER 1st MAY RESULT IN \$5.00 PER DAY PENALTY FOR EACH DAY'S DELAY. (RSA 21-J:36).

NOTE: PLEASE REMEMBER TO COMPLETE INFORMATION ON PAGE 3, 4, AND 5 (ALSO PAGE 6, IF APPLICABLE) OF THIS REPORT.

Revised 1999

**DUBLIN TRUSTEES OF THE TRUST FUNDS
ANNUAL REPORT**

The MS-9 and MS-10 reports for the past year are shown herein. They show the investment transaction status and investment balances.

Our investments are managed by Phoenix New England Trust Company. It should be noted that New London Trust was purchased by Phoenix in 1999. We are very satisfied with the new management and see no reason to make any changes in the near future.

Respectfully submitted,

Willard W. Goodwin, Chairman
Christopher J. Flynn
Peter M. Hewitt

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Dublin
Dublin, NH

We have audited the accompanying general purpose financial statements of the Town of Dublin as of and for the year ended December 31, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion of these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Dublin has no maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Dublin, as of December 31, 1999, and the results of its operations and the cash flow of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information presented is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Dublin is or will become year 2000 compliant, the Town of Dublin's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Dublin does business are or will become year 2000 compliant.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Dublin taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for the purpose of additional analysis and are not a required part of the general purpose financial statements of the Town of Dublin. Such information has been subjected to the auditing procedures applied in the audit of general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Plodzik & Sanderson
Professional Association
January 21, 2000

Note: The remainder of the audit will be available at the town office. It was not able to be included in the annual report due to the Library bank accounts not being supplied to the auditors in time for them to complete the audit and include them here.

PLODZIK & SANDERSON
Professional Association/Accountants & Auditors

*INDEPENDENT AUDITOR'S COMMUNICATION OF
REPORTABLE CONDITIONS AND OTHER MATTERS*

To the Members of the Board of Selectmen
Town of Dublin
Dublin, NH

In planning and performing our audit of the Town of Dublin for the year ended December 31, 1999, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

During the course of our review, the following conditions were noted that were considered to be material weaknesses as defined above:

General Accounting Records

Our examination of the general accounting records disclosed that the detail listing of cash receipts and disbursements did not agree with the Treasurer's records. We spent considerable extra time attempting to reconcile these records. We were given two different financial reports which had items missing from them.

We assume that these conditions existed due to a change in Town Administrators, because the Town did not have an Administrator for four months. As of January 1, 2000, the Town has a new computer accounting system, and we expect that this problem will not occur again.

Library Expansion Donation Fund

Our examination of the Library Expansion Donations Fund was very difficult to conduct because the records were not available at the time of the audit. Copies of the records were sent to our office; we prepared the financial reports from these copies. Proper reconciliations should be prepared monthly to allow the balancing of the cash collected and disbursements made with the investment statements from A.G. Edwards & Sons and the balancing of the pledges receivable with the receivables report.

Also, the following condition was noted that we do not consider to be a material weakness:

Tax Collector (Repeat Comment)

Redemptions were not filed with the Registry of Deeds on a timely basis. We recommend the Tax Collector file the redemption notices on a timely basis in the future.

Other minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to applicable individuals during the course of our audit fieldwork.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.
